**Re: United States v. Orestis Argyris, 18 Cr. 547 (SHS)**

**MEMO ENDORSED**

Dear Judge Stein:

I write on consent of the Probation Office and the Government to respectfully request a 30-day adjournment of the March 19 VOSR conference (and the March 12 submission deadline). As the Court knows, at the last conference the parties discussed the possibility of alternative treatment providers and the defense was tasked with gathering information on such providers to present to the Probation Office and the Government. The defense is still gathering that information, and the requested adjournment (our first) should allow sufficient time to complete this process.

Thank you for your attention to this matter.

Sincerely,

/s/ Jonathan Marvinny
